

UNGM VENDOR REGISTRATION

Introduction

The United Nations Global Marketplace – UNGM – is the common procurement portal of the United Nations system of organizations.

It brings together UN procurement staff and the vendor community. The UNGM acts as a single window, through which potential vendors may register with the UN organizations using UNGM as their vendor registration database. The UNGM therefore provides an excellent springboard for vendors to introduce their products and services to UNICEF and many other UN organizations by only completing one online registration form.

The UNGM also enables vendors to keep abreast of upcoming tender notices. By subscribing to UNGM's Tender Alert Service, vendors can receive relevant business opportunities emailed directly. The UNGM facilitates the interchange of vendor information within the UN system as information is made available to all UN organizations. The UNGM also acts as an important procurement tool to shortlist vendors for competitive bidding.

UNGM has a United Nations General Assembly mandate to:

- Enhance transparency and increase harmonization of UN procurement practices.
- Simplify and streamline the registration process for vendors.
- Increase procurement opportunities for vendors from developing countries.
- Create one common UN global procurement portal.

Registration levels and process in UNGM

Potential UNICEF vendors will be required to register at Level 1. Registration at Level 1 will allow vendors to submit a certificate of registration thus demonstrative that they are a legal entity. Although not mandatory, vendors may also complete registration in Level 2.

Information required for each level of registration

❖ Basic registration requirements.

1. General information (name of company, license number, address, telephone, details of contact persons, etc.).
2. Information on countries in which you do business.
3. Classification of your goods and services.

Note. Basic registration level is automatic and does not require a review.

❖ Level 1 registration requirements.

4. Criteria 1–3 above.
5. Certificate of **incorporation** or equivalent document verifying legal status/capacity.
6. Details and email addresses of at least three independent, non-affiliated references whom you have done business with.
7. Names of owner(s) and principals (including parent company, subsidiaries/affiliates, CEO/Managing Director, and those with controlling interests, if applicable). The names of intermediaries, agents and/or consultants, (if any) used in relation to United Nations contracts or bids/proposals.

❖ Level 2 registration requirements.

8. Criteria 1–7 above.
9. Reference letters from three independent, non-affiliated clients/companies, you have done business with. Reference letters should be in English and from three independent, non-affiliated clients/companies whom you have sold products and/or services to during the last 12 months preferably with a description of project/work undertaken; and date started/completed and value of project. Reference letters should be prepared/signed on the referee's letterhead paper and reference should refer to the entity that is seeking registration.
10. Financial documents (audited/certified financial statements or equivalent) for the last three years.

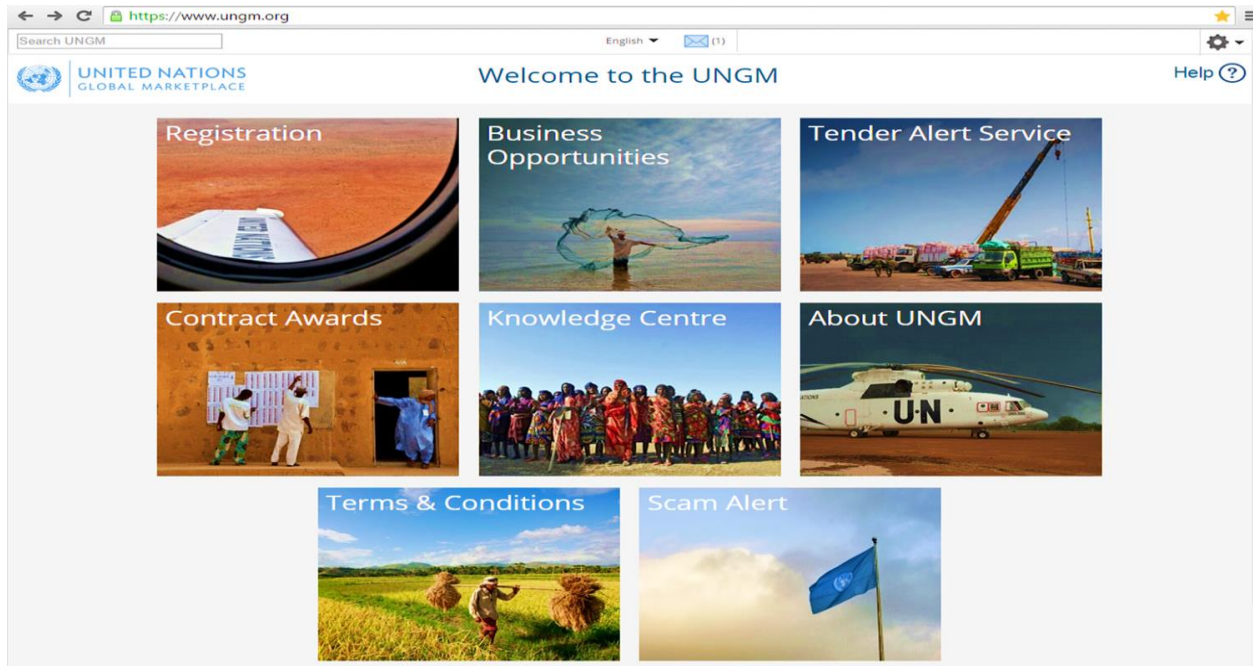

Review of UNGM registration for acceptance

- Levels 1 and 2 require a review for ‘acceptance’. The review will be undertaken by the UNGM focal point at your office.
- Once a vendor has been accepted by at least one (1) UN organization at Basic level, the vendor's profile is visible to all UN staff.
- UNGM vendor registration is not intended to replace registration of vendors in VISION. Instead, UNGM is being used to complement Vendor Master in VISION by providing a sourcing portal for vendors interested in working with UNICEF. UNGM also allows potential UNICEF vendors to keep abreast with UN organizations tenders and procurement requirements, and offers UNICEF a centralized screening for vendor eligibility.
- The UNGM vendor registration number should be included in the GSSC vendor registration template when registering vendors. The UNGM vendor number is entered by GSSC under ‘Search Term 2’ in the vendor record.
